
Welcome to École Millstream Elementary's Parent Advisory Counsel 2016 - 2017

PAC FUN FACTS!

WHAT IS PAC?

Ecole Millstream Elementary's Parent Advisory Council is a committee made up of all the parents of the students that attend Ecole Millstream Elementary school. Your child's attendance at Ecole Millstream Elementary automatically makes you a member of our schools PAC. You're the voice of your child and as a collective group we're the voice of the student body.

WHAT IS THE PURPOSE OF PAC?

The purpose of PAC is to be the voice of our present student body and provide support, feedback and advice to the school administration.

WHAT DOES PAC DO?

PAC hosts many events and fundraisers throughout the school year to support our student's learning by providing our school with cultural & community events, field trips, technology, books, musical instruments, sports equipment and other initiatives that increase the betterment of our students learning environment.

WHY IS PAC NEEDED?

PAC is needed to help bolster the funding provided to our school to improve the resources available and the children's experience of education.

HOW CAN YOU HELP?

Parent volunteers are always needed! Even if you work full time or have littles at home we can work within your time constraints and use your talent on our PAC.

We are always looking for donations of food and goods for BBQ's, hot lunches, breakfasts and auction items. We need volunteers for set up, take down and the organizing and running of events.

Once a month we will need fresh baked goods to help celebrate our teachers and administrators hard work. To participate in this all you need to do is drop off a delicious plate of baked goods to the office on the last Wednesday of every month!

See the other side for more ways you can help!
