

MILLSTREAM ELEMENTARY EMERGENCY PREPARED!

DURING THE 2017-2018 SCHOOL YEAR MILLSTREAM PAC AND SCHOOL HAVE FOCUSED AND WORKED REALLY HARD TO BE PREPARED IF THERE WAS EVER AN EMERGENCY.

Backpacks were donated and filled with Emergency Items for every room of the school.

Emergency evacuation plans are distributed and posted in the building. Staff and students perform regular evacuation drills.

An Emergency Container was purchased by the PAC for \$6000 in September 2017 as the old container was unsalvagable and empty.

The Emergency bin has been stocked with Comfort Care Kits (provided by parents) and emergency contact information.

Thanks to Canadian Tire, that donated \$2500 to Millstream, the bin has been stocked with emergency supplies.

Our Emergency Preparedness team has put in lots of volunteer hours to get our school prepared and safe for our students.

**WE HOPE THAT OUR FAMILIES ARE PREPARED FOR AN EMERGENCY AT HOME.
