# Mural Unveiling

Wednesday, September 28  
4:30pm PAC hosted BBQ  
6:00pm Mural Unveiling

With the guidance of Indigenous artist Jamin Zuroski Kwakwaka'wakw-Namgis First Nation, our students explored the land, stream, and forest that borders our school. Our school community participated in creating a vision of our school in the form of a mural and animal ambassador.

We would like to acknowledge the students' hard work and dedication, the work of the artist, staff and our school community.
