## Important Information

### What is a Walking Bus?

Much like a traditional yellow school bus, a WSB is a group of students who travel to and/or from school each day along a designated route, stopping along the way to pick up more students. The bus is supported by trained adult Walk Leaders, who walk with the group daily. The bus is powered not by an engine, but on foot, by the students themselves as they walk to and from school. **[Walking School Bus - Society for Children and Youth of BC](#)**
