Important Information

The PAC fundraises to enhance our children's educational experience and build a vibrant connected school community. Funds raised by the PAC support a wide range of activities and resources that go beyond what standard school budgets provide. From important resources such as classroom supplies, technology upgrades, and field trips, these efforts make a real impact. Fundraising also allows us to support special projects and teacher requests that directly benefit our students, creating a richer, more engaging environment for learning and growth. Every dollar raised goes back into making Millstream the best place it can be for our kids!

PAC Vacancies

The PAC is still looking to fill a few important roles, and we need your help! We're currently seeking a Secretary, Fundraising Coordinator, and Volunteer Coordinator. Our small but dedicated team can't do it all alone—we need more hands on deck to make this year a success! If you're eager to get involved, contribute to our school community, and join a fun, welcoming team, please reach out. We'd love to have you onboard!
