PAC Weekly Update - Happy Halloween!

We're wrapping up October with a big thank you to everyone who joined us for the Fall Dance last night! It was an evening full of fun, music, and Millstream spirit—and it wouldn't have been possible without the help of our incredible volunteers. A huge shoutout to Jason Boer and Amanda Trafton for coordinating the event and putting in the hard work behind the scenes. Your efforts made the night a fantastic success, and we're so grateful!

Wishing everyone a safe and fun-filled Halloween—whether you're trick-or-treating, handing out candy, or just enjoying the festive spirit!

Holiday Gift Shop - Gr 5 Fundraiser- Dec 11

We're excited to bring back the Holiday Gift Shop on Monday, December 11—a fun opportunity for students to do a little holiday shopping all on their own!

Each student will be able to purchase 2 small gifts for \$2 each, giving them a chance to surprise loved ones with something special. After all students have had a chance to shop, any remaining items will be available for additional purchases near the end of the day.

Our wonderful GRV volunteers will even wrap the gifts using donated wrapping paper and gift bags to keep the surprises a secret!

More details to come soon—stay tuned!
